REVAMPED MSS WEB SITE INCLUDES E-COMMERCE

John V. Ballun, President of MSS, announces the debut of the redesigned MSS web site. The new and enhanced front page features an e-commerce portal that offers online purchase of MSS standards. Available information includes MSS member companies, current standards projects, News and Events, and recent publications. The web site is equipped with a search engine for finding current and historical MSS Standard Practices.

Since its establishment in 1924, MSS has been dedicated to developing standards for global application in the Valve and Fittings Industry in cooperation with other standardizing bodies and regulatory authorities. MSS is an ANSI-accredited standards developer. For more information about MSS and the Scholarship Program, visit the MSS website at www.mss-hq.org.
